

WARRANTY CERTIFICATE

FINALE®

HARD-SET, ELASTOMERIC COVE BASE ADHESIVE

W.F. Taylor LLC (herein Taylor) provides a 10-year limited adhesive bond warranty when Finale® is used for the interior installation of approved wall base products (see current technical data sheet for complete details). Finale® shall be free from manufacturing defect and will perform as designed when properly used.

The wall must be porous, clean and free of any contaminants. The installation must be performed following both the wall base manufacturer's and Taylor's guidelines. For the latest product information and application instructions please visit www.tayloradhesives.com.

If an installation failure occurs as a direct result of the use of defective Finale®, Taylor will pay for equivalent base, replacement Finale®, and for reasonable labor costs to repair or replace the failed portion of the installation as determined by Taylor at its sole discretion. This warranty applies only to the Finale® related bond failure. Taylor cannot warrant those variables over which it has no control such as the quantity of Finale® used, the workmanship of the installer, the condition of the wall, the stability of the base and its suitability for installation on the affected job-site, or any other conditions that might affect the installation.

Taylor reserves the right as deemed necessary to inspect any claim for cause or this warranty is null and void. Any repairs done prior to inspection by a Taylor representative voids any warranty. This warranty is non-transferable.
